This club is successful because of dedicated members who volunteer their time on behalf of the club. There are many opportunities to serve. For information, go to [www.kcskiclub.org](http://www.kcskiclub.org), log on and open the "Committees/Interests" page; or, contact any Officer, Director or Committee chair. See website for contact information.

The SLUSHBOOMER is owned and published by the Kansas City Ski club as an informational service to its members only. KCSC's financial records are available upon request.

Special thanks to the following photographers: Dave White, Laura Mountjoy, Greg London, Kim Sincx, Deb Morgan, Rebecca Pry, Paul Ghilino, Brooke Fridley, Jim Westberg, and Nancy Cochran.

### Rich Parrish, President

I am honored to serve as President of the Kansas City Ski Club for the 61st year of the club's existence. After accepting this position I have alternated between being excited and feeling completely overwhelmed. Having been in this position for a couple of months, I appreciate all the past presidents. Luckily for me, there will be LOTS OF SNOW in the mountains this year so that is one less thing to worry about!

I had thought that the summer would be the slow time for the Ski Club however I am finding that the snowless months are the executive committee's busiest, planning for the ski trip season which is rapidly approaching (I know it is hard to believe now but a lot of SNOW is coming to the mountains this year!) I now ap-

preciate just how difficult it is to determine the right number of trips and to what destinations.

Trip Director, Jim Westberg has spent the Spring and Summer putting together a great schedule of trips. Park City, Utah and Flatlands Ski Weekend at Telluride are some of the highlights. With all the SNOW that will be falling in Colorado and Utah this year, any of the trips on the schedule will be a skier's or boarder's delight. I hope you'll be able to enjoy the great SNOW conditions on many trips this year.

Many thanks to Kim Sincx, Kathi Harden, Mary Herring and many others who continue to offer their time and wisdom to all aspects of keeping this great club going forward (they are who guaranteed the great SNOW this year, and they've never been wrong.) And thanks to the Board of Directors for being patient with me as I figure this all out.

So here's to a wonderful year for the Kansas City Ski Club with many great SKI trips and memories made. I will see you on the slopes. THINK SNOW!

### Kim Sincx, Vice President

I am excited to take on the role as Vice President and look forward to helping contribute to the continued success of the Kansas City Ski Club.

The main goals of the of Vice President are to manage a smooth, efficient team of committees to run the various functions of the Club and to create and maintain the official calendar of Club activities.

I look forward to working closely with the KCSC Committees (Community Projects, Sports/Social, Race, Website, Audit, Photography, Social Networking, Young

Skiers Programs). I will be connecting with the committees and will include their meetings and volunteer opportunities in the KCSC Ski Mail, social media and the website. Each of these committees is always looking for volunteers. If you are interested in getting to know more people in the club, volunteer for a committee!

Additionally, we need a volunteer to chair the Membership and Program Committees. Chair positions are fun and your committee members will help. If you have an interest, please contact me. [kimsincx@gmail.com](mailto:kimsincx@gmail.com) Volunteering is a great opportunity to give back to the club.

Encourage your family and friends to join and be part of the wonderful KCSC Family and look at the [kcskiclub.org](http://kcskiclub.org) for our trips and events.

**KCSC Air Trip to Innsbruck, Austria**

**Jim Westberg,  
Trip Director**

It is the dog days of summer, school is about to start, and autumn is just around the corner. I hope you are having a great summer and looking forward to a break in the hot temperatures. Before you know it, winter will be here. It is time for members to begin signing up for trips on the 2015-16 Winter Trip Schedule. Your Club Trip Committee has been working since last spring pulling together a terrific trip schedule with a little bit of something for everyone.

To launch this year's ski trip season, your Club is hosting a Trip Sign-Up Event at First Tuesday, September 1, at Californos Back Deck starting at 6:00p.m. Trip Captains will be there to personally discuss their trips and answer any questions you may have.

All the information you need for trip sign-up is in this Slushboomer. Inside this issue are:

trip flyers, application and sign-up instructions. Also included is the 2015-16 Winter Trip Schedule (inside the back page) that includes: destinations, dates, lodging, trip captains' contact information, and trip prices. Prices can vary with upgrades available for private bunks on bus trips, private beds on the Keystone and Winter Park trips, and fly/drive options on the Aspen, Keystone 1, Telluride (FSA), Steamboat, Taos, and Vail trips. In addition to our bus trips, we are offering an air trip to Park City, Utah (who would like to ride the new gondola?) Please see trip flyers inside this issue for more details about each trip as well as the various methods available to sign-up.

This year, bus transportation will be provided by Windstar Lines, Inc. with an assist from Village Tours for the Telluride FSA trips. Bus trips include transportation via sleeper-coach (tour bus) with 4 people per booth/2 per bunk or upgrade to 1 per bunk (private bunk) at additional cost. Standard shared bunk is an economical way for families and couples to travel. Single travelers and those who want more room may want to purchase a private bunk. We are finalizing our bus departure lo-

cation which will be provided by the trip captains to trip participants. As usual, beverages, snacks and evening meals are included in outbound and return trips. Beer in cans is the only alcoholic beverage allowed on the bus as no wine or whining permitted on the bus.

Within 5 days after sign up, you will receive an email from the Club confirming your status on the trip. Don't be left out in the cold as we expect our annual Presidents' snow dance to yield great results this season.

Remember, you must be a member of the Kansas City Ski Club to sign up for trips. If you haven't renewed your membership, please go to the website and renew now. The Club's website is: [www.kcskiclub.org](http://www.kcskiclub.org). If you don't remember your user name and password, just access that website, select "Forgot My Username/Password," and enter your email address and first name. You will receive pronto a new password. If you have any difficulty with your log-in, you may also send an email to: [secretary@kcskiclub.org](mailto:secretary@kcskiclub.org).

Start that conditioning program now so you'll be ready when the snow starts to fly.

**Daphne Reitz,  
Race Director**

Racing isn't just about competition. Racing can help to improve your technique for recreational skiing/boarding. Carving a turn at a predetermined spot (such as going around a race gate) means that you can carve a turn when the slope dictates (or when there is someone in your way). NASTAR is the amateur racing program you will find at most ski resorts. For a few bucks you can try your hand at racing. If you are interested and want to know more, ask any member of the Race Committee, or your trip captain if you are on a trip, and they can tell you where to find NASTAR and committee members can give you a tip. You can also ask the friendly people in the shack at the top of the NASTAR course; they are happy to give you instruction.

Of course, you can compete if you like! The KC Ski Club is a member of the Flatland Ski Association (FSA). The FSA is an organization of 9 clubs from the Midwest that race

**KCSC Flatlands Medalists, Crested Butte, CO**

against each other each year in January. This year the competition is in Telluride, Colorado. Check the ski trip schedule for details. The KC Ski Club needs all racers on deck this year to once again become number one. The other clubs brought stiff competition last year and we need to rise to the occasion.

The KC Ski Club also has a club race called the Kandahar. The Kandahar has been held at Snow Creek in February for the past couple of years. Because of waning participation and because of how busy Snow Creek has become, the committee will be looking into the future of Kandahar and where, or if, it will be held this upcoming season.

In order to do your best on the race course or in order to enjoy yourself on the slopes, you need to stay in shape year round. Here are some of the best exercises you can do in the summer:

Trailrunning—Dirtismoreforgivingonyour knees than pavement and the twists and turns of a trail help to build balance and core muscles.

Biking – Whether mountain biking or road biking, the speed of biking can help you feel like you are skiing. A great aerobic exercise, it also has minimal impact on joints.

Hiking – Get out on the slopes during the summer. Hiking can be done solitary or in groups. It is good for leg muscles and communing with nature.

Stand-up Paddle Boarding – What a great core workout! On a flat lake, try a few yoga poses on the board to challenge yourself. Try to stay stable on the river with some mild rapids in order to really work those core muscles.

Yoga – Yoga is a great way to stretch all your muscles and still build your core. Yoga can be done anywhere from your living room to your office. You just need a few feet of space to do a few poses to keep your muscles energized all day long.

Looking forward to seeing you on the slopes!

**2. How do I login to my account and see the member side of the website?** Go to kcskiclub.org. Click on “Member Login” in the upper right corner. The Login screen will appear, enter your User Name and Password to get to the member part of the website.

**3. How do I update my profile on the website with my new address, phone #s, or email address?** Login to your account on the website. Click on your name in the upper right corner, then click on “Profile” in the drop down box. The “Member Profile” screen appears, find the “Personal Info” box. Click on “Contact Info.” Enter any changes to your address, home phone #, phone #, and email address, and click the “Save” blue button at the bottom.

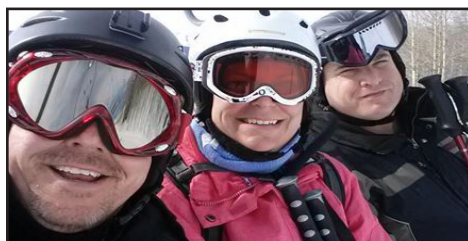

Also, please be sure to update the contact info for others on your membership. In the “Personal Info” box, click on “Additional Members in Your Account”, then click on edit by each additional member on your membership. Enter any changes to address, home phone #, phone #, and email address, and click the “Save” blue button at the bottom.

**4. How do I add my picture to the membership directory?** Follow #2 and #3 above to login and go to the “Member Profile” screen. Click on “KC Ski Club Member Directory” in the “Personal Info” box. Scroll to the bottom of the page and look for a ? inside a box or your previous photo. Click on “Choose File” next to the box and select a picture from your hard drive. Click on the “Save” blue button.

**5. What if I forgot my User Name or my Password?** Go to kcskiclub.org. Click on “Member Login” in the upper right cor-

ner. The Login screen will appear, click on the “Forgot my UserName/Password” link just below the login box. Enter your email address and first name. Your User Name and Password will be emailed to you. If the website can’t find you in the member list, you will see a box “Could not match your email address and first name...” Then send an email to membership@kcskiclub.org with your name, current email address, and phone number. They will update your email address on your profile, reset your password, and email you your user name and temporary password.

**6. How do I find out more details about a KCSC event or trip?** Login to your account on the website. There are two easy ways to get to a trip / event webpage with all the details: 1) Click on the event or trip in the list on the right side of the home page or “Trip Info” page. 2) Click on “Event Calendar” in the website menu on left side of the page. **7. This trip sounds like fun, how do I sign up for it online?** Login to your account on the website and go to the detailed webpage for the trip. Click on the blue “Sign Up Now” button on the right side of the detailed trip webpage. Then follow the prompts to select your trip options, complete your registration, and pay your deposit. Note: Winter Trips don’t open for online registration until after the September First Tuesday Sign Up event.

**8. How do I make a payment for a trip online?** Login to your account on the website. Click on your name in the upper right corner. Click on “\$ Payment Due” in the drop down box to get to your “Make Payment For” page. Follow the directions on the page to either pay by credit card or send in a check.

**9. When I go to kcskiclub.org to sign in, it automatically signs on to my spouse’s account instead. How can I sign on as me?** This happens when members share a computer and someone used the “Remember me on this computer” box when they signed in. It puts a cookie on the computer so that it always logs on to their account. Here are a couple of ways to get around this:

a. For Google Chrome users: Click on the 3 black lines icon in the upper right corner of the screen. Click on “New Incognito Window”. This opens up a new window in incognito mode – it doesn’t use or create cookies! In the new window, enter kcskiclub.org, and follow the instructions above to login to the website.

b. For Internet Explorer users: Click on the gear icon in the upper right corner of the screen. Click on “Safety” in the drop down menu. Click on “In Private Browsing” in the next drop down menu. This opens up a new window that doesn’t use or create cookies! In the new window, enter kcskiclub.org, and follow the instructions above to login to the website.

**10. Why can’t I sign up and pay for a trip for my spouse and children on the website?** At this time each adult member will need to sign themselves up. Contact the trip captain to sign up junior members for a trip. Our website software vendor handles multi person memberships with one person set up as the Primary Member, additional adults set up as Secondary Members, and children set up as Junior Members. Membership dues for everyone on a membership are charged to the Primary Member. The Primary Member is financially responsible for everyone on their membership. The Primary Member can make trip payments for everyone on their membership. If you would like to change the Primary Member on your membership to you, email your request to membership@kcskiclub.org, and please copy the current Primary Member on your membership.

**11. Why am I’m not getting emails from KCSC?** Check your profile to make sure we have your correct email address and make sure the box right below your email address is checked. If that checks out, your email provider may be sending KCSC emails to Spam. Check your Spam box for KCSC emails, move them to your Inbox, and add the sender email address to your contacts. Also, try adding the following domains to your list of approved domains: kcskiclub.org, clubexpress.com, and mail2.clubexpress.com

**12. Can I put some of the pictures from our ski trip on the website?** Email your pictures to photeditor@kcskiclub.org

**13. We had so much fun on our trip. Can I share some of the stories from the trip on the website?** Sure, write an article and email it to slushboomer@kcskiclub.org

**14. How do I volunteer to work on the website?** We are always looking for volunteers to help with the website, just send an email to websitechair@kcskiclub.org to volunteer.
